Experience

Snap Inc.

- **Industrial Designer II, Spectacles** Apr 2024 – Apr 2025
 - Lead designer for all AR device accessories and packaging, and driving innovation on AR glasses/wearables with multiple filed and pending patents.
 - Owning end to end design development. Executing all aspects of the design process from business proposition, sketching, story boarding, hands-on prototyping, R&D, Parametric modeling, CMF, Packaging, 3D Visualization, and executing products with high level of integrity and intent.
 - Key contributor to the successful launch of Spectacles 5 (2024). Collaborating across Engineering, Product, and Supply Chain.
- **Industrial Designer, Spectacles** Oct 2020 – Apr 2024
 - Contributed to defining the visual and physical attributes of Snap hardware. Collaborated closely with cross-functional teams and overseas vendors across organizations.
 - Played a key role in the successful launch of Pixy (2022)

True Brands

- Industrial Designer** Jan 2019 – May 2020
- Led creative development and launched multiple consumer wine and barware products for 10 different in-house brands.
 - Designed and launched an entirely new soft goods line for top-selling brand, Host, including the Insta Chill Can Sleeve series, Insulated Cooler Tote, and Insulated Bottle Carrier.

Progressive International

- Industrial Design Intern** Jul 2017 – Sep 2017
- Explored and designed a diverse range of kitchen gadgets, adhering to a cohesive design language and brand identity.
 - Contributed to the launch of Progressive Micro Deli Keeper, Prep Works Mini Shaker, and 2-Cup Freezer Portion Pod.
